

Amin is shaming this political professor from United Arab Emirates after changing his mind and accepting to normalize the relationship with Israel. This shows how extremist and hateful his point of view in people who accept everyone and don't judge people based on their religion and country. This is happening in 2022!!!!

لا توجد بطولة في مقاطعة اسرائيل ولا خيانة
في التطبيع مع اسرائيل. فمن أراد ان يطبع
فليطبع ومن أراد ان يقاطع فليقاطع وكان الله

@Abdulkhaleq_UAE:

- I will not join people who normalize the relations with the Israeli enemy and I refuse having any Zionist in our country UAE.
- There is no heroism in boycotting Israel and no betrayal in becoming friend with Israel.

This is a straightforward statement from Amin saying that normalizing the relations with the country of Israel is a betrayal, Neutrality is heresy (he is telling people to be extremist and not neutral in their opinion), THE WORST PART IS HERE: Weapons are men's beauty!!!! If this is not extremist and very obvious cheering for militias and terrorists to use weapons and glorify them, I don't know what is.

من المعيب التحدث عن الحياد والبلد المحايد في ظل الاعتداءات اليومية المتكررة والقنابل الفوسفورية #التطبيع_خيانة #الحياد_بدعة #السلاح_زينة_الرجال #بشير٢٥٢١٠

Translation:

It is shameful to talk about neutrality and a neutral country in light of the daily attacks and phosphorous bombs.

Amin is praising HIZBO ALLAH (a terrorist organization) and replying to someone that the resistance, the revolution and HIZBO ALLAH are bigger than you.

Here are some proofs that HIZBO ALLAH is a terrorist organization:

Again Amin is spreading his hate speech about Israelis and also saying that Syria is supposed to be a land of fight and war.

#Syria is supposed to be a land of fight and war with the enemy, the army is supposed to be ready, the allies' army should fortify the battlefield. Then why do we still see the Zionist (Israeli) airplanes flying every now and then.
