Subject: RE: Configuration

Hello Adam,
This has been done, see snapshot below.

The screenshot shows a web browser window with the URL <https://my.afrinic.net/resources/rdns/edit/?d=249.175.196.in-addr.arpa>. The page is divided into two main sections: a left sidebar with publications and a main content area for configuration.

PUBLICATIONS

- AFRINIC Service Level Commitment**
In its quest to serve its valued members in the most professional manner and in accordance with the Internet industry highest standards, AFRINIC, as an RIR is publishing this Service Level commitment (SLC) in respect of its Number Resources Management services.
[AFRINIC SLC](#)
- Registration Services Guidebooks**
In our continuous effort to accompany our valued members through all of their initiatives, AFRINIC Registration Services Team has drafted 3 guidebooks to help you with IP planning and resources requests.
[IPv4 Request Guideline for LIR Members](#)
[IPv4 Addressing Plan, How To, Internet Routing Registry](#)

Reverse Zone: 249.175.196.in-addr.arpa
Reg Date: 2018-09-27
